CONGRATULATIONS:

The Juett family would like to thank the Lisbon School Community: administrators, teachers, students, and the school board for their support of Jacqueline over the past four years as she has bowled on the Cedar Rapids Washington Girls Varsity Bowling Team. This journey started with many communications between our family, Mr. Ries and other athletic directors. We were all thrilled when both Lisbon and Cedar Rapids Washington agreed to the sharing agreement and even more thrilled when we received approval from the IGHS AU. All of these approvals meant that Jacqueline would get to bowl on a high school team! Jacqueline had an outstanding senior season! She and a team mate have a spot in the Cedar Rapids Washington record books, they have the highest average for the girl's team with a 203 per game average. Within the last week we have learned that Jacqueline has received the following honors:

- **Mississippi Valley Mississippi Division First Team; Mississippi Valley Conference First Team; Mississippi Valley All Academic Honors; All Metro First Team; All State 3A East Division First Team; All State 3A First Team**

Congratulations, Jacqueline! Please know that we are forever grateful for the work that was done on Jacqueline's behalf and for the support she received from the Lisbon School Community.
